We are one of the leading manufacturer and exporter of Speciality gases, Phospine gases and Medical gas Mixture.

Medical Oxygen Gas

R407C Refrigerant Gas

Aerobic Medical Gas Mixtures

About Us

We are one of the leading manufacturer and exporter of Speciality gases, Phospine gases and Medical gas Mixture. Our range is in wide demand across the engineering, pharmaceutical, automotive, semiconductor, chemical offshore contractor industries.

SPECIALITY GASES

Medical Oxygen Gas

Propane Gas Cylinder

Ammonia Gas 6N

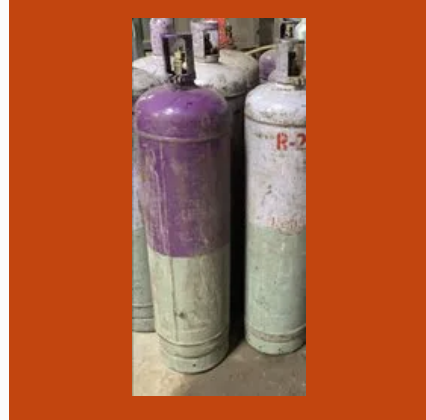

99.9999% Pure Silane Gas Cylinder

REFRIGERANT GASES

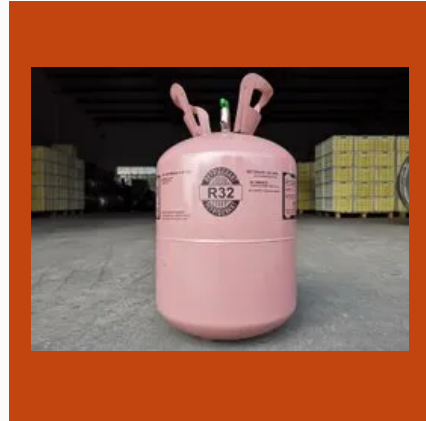

R407C Refrigerant Gas

Faron Gas Refrigerant Gas

R170 Refrigerant Gas

R32 Refrigerant Gas

MEDICAL GAS MIXTURES

Aerobic Medical Gas Mixtures

Laser Mixture Gas

Boron Trifluoride Mixture

Diborane Gas Mixture

DEUTERIUM GAS

Medical Oxygen Cylinder

Heavy Water Deuterium

Aluminum Oxygen Cylinder

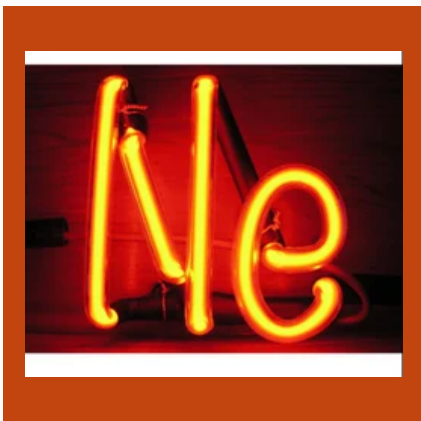

LIQUID AND GASES

Xenon Gas

Pure Krypton Gases

Neon Gas Cylinder

Liquid State Helium

FITTING ACCESSORIES

Parker Single Ferrule
Compression Fittings

Swagelok Double Ferrule
Compression Fittings

Ermeto Single Ferrule
Compression Fittings

F a c t s h e e t

Year of Establishment :1999

Nature of Business :Manufacturer

Total Number of Employees :26 to 50 People
